2019 NEW PRODUCTS

CAMBRO
www.cambro.com

Camshelving® Ultimate Sheet Pan Rack

The classic sheet pan rack has been redesigned and re-engineered to provide top-of-the-line performance and value.

- Made from durable composite and plastic materials with heat tabs and nested in rails that are easy to clean.
- Custom made steel frames or premium plastic frames combined with one totally solid top and bottom frames provide a smooth gliding rack that easily maneuvers anywhere.
- Lifetime warranty against rust and corrosion.
- Available in three heights—Full Size, Half Size or Undercounter—with 18" (2.3 cm) or 2" (2.0 cm) rail spacing options.
- Holds full size (18.25") and half size (11.75") sheet pans, or 8 open size 14" x 20", 14" x 18", or 12" x 18".
- Ships knockdown with factory pre-assembled call panels. Assembles in 3 easy steps with 1 tool.

Camshelving® Ultimate #10 Can Rack

Create the custom can storage you've always needed with the Ultimate #10 Can Rack. Made from strong composite plastic materials, this new, durable can rack can be configured to give you exactly the storage space you need.

- Each individual tier can hold 8 #10 cans or 12 #5 cans.
- Fits 24" (610 mm) deep Camshelving® only.
- Complete 24" x 20" x 72" (610 x 510 x 1830 mm) stationary unit, slip track units and roller base capacity 200 can (storage in a small footprint).
- Front-loading, gravity-fed system supports FIFO and efficient inventory control.
- Single rack plus add-on rails economically increase storage as needed on existing or new shelving units.
- Lifetime warranty against rust and corrosion.
- Easy to assemble and clean.

Cam GoBags®

Protect your signature menu items and your brand, from kitchen to customer, with the original insulated delivery bag.

- Designed to protect food quality.
- High density insulation maintains safe temperature during holding and transport.
- Heavy-duty, tear-in carrying straps and hook and loop fastener keep contents secure.
- Wide selection of bags for pizza, sub/sandwich containers and buffet pans.
- Can be personalized with text or a custom logo.
- Easy to clean.

H-Pan™ High Heat Food Pans with Handles

H-Pan food pans with single and double handles work designed to maintain consistent temperature, extend and enhance hot, baked and crisp foods for longer service periods. Pan design evenly distributes heat from holding unit across the surface of the pan and directly into the food, eliminating hot and cold spots.

- Available in full size and 1/3 size, 21" (5.3 cm) deep.
- Non-scratch, anodized color provides superior visibility and easy identification.
- High heat material withstands temperatures from -40° to 375° F (-40° to 190° C).
- Reinforced, textured handle with finger grip design for a secure grip.
- Stackable for efficient storage.
- Fits all leading manufacturer's hot holding bins, food wells, steam tables and holding cases.

Camshelving® Elements Series Undercounter Units

Build access undercounter units at standard counter heights. Elements Series Undercounter Units maximize previously unusable space into extra storage. Or create a custom unit with 20" (76.2 cm) High Stationary Post Kits and 24" (60.96 cm) Long Shelf Kits.

- Available in mobile or stationary.
- Choose from 3 mobile or 2 stationary units with pre-assembled post kits and 2 wheel choices complete in 1 box.
- Choose from 14" (35 cm) or 18" (46 cm) depth.

Shown with optional 2mm heavy-duty casters.

Camshelving® Shelf Rails

Keep shelf contents securely in place with Shelf Rails. The double rail system easily installs onto shelves to provide extra protection.

- Fits shelving units 24" to 72" (61 to 183 cm) wide and 1 1/2" to 2 1/2" (38 to 61 cm) deep, for all Camshelving Series.*
- Choose from single, 2 or 3-rail shelf rail kits, with all required parts in 1 box.
- Simple to assemble and install.
- Works with all Camshelving Under Counter and Drying Racks.

For Existing Plus Series

*1 1/2" depth, 24" and 72" lengths not available for Existing Plus Series.

Ultra Pan Carrier® UPC300 and Combo Carrier 1318CC

Lightweight and compact carriers designed to safely hold and transport hot and cold foods.

- Fully removable, gasketed door for easy cleaning. Door opens full 270°.
- Labeling area on door for product ID and routing.
- 18" (45.7 cm) and 15" (38.1 cm) each hold's extra 1" (2.5 cm) deep 18" (45.7 cm) size food pans or functional pans.
- 1318CC holds up to 6 each half-size sheet pans or trays.
- Holds food at safe temperatures for 4+ hours.
- UPC300, 1318CC and original 300HP, and 1318HT, America's #1 for space-saving storage and transport.

Cam GoBox®

Unbelievably strong, amazingly light and budget-friendly.

- Expanded polypropylene (EPPO) construction protects quality and safety of food in cold fresh and hotlines for food service.
- Perfect for collecting or holding food for take-out, curbside pick-up or delivery.
- Available in a variety of top-loading and front-loading carriers.
- Adjustable way into an 11-wheeled carrying business or self-equipment for larger than-visual events.
- Unbeatable safe and stackable.

Pro Cart Ultra® Insulated Holding Cabinet

The Pro Cart Ultra is the ultimate food transport cart that can hold all your hot and cold menu items. With the Pro Cart Ultra a full, you can even hold them in the same cart, at the same time!

- All Pro Cart models hold 60 food pans, cover pans, trays and pizza boxes.
- Choose full, two-compartment model, or low, single-compartment model.
- Specify electric hot 150° (65.5°) 240°, electric cold 52° (41.1°) - 4° F (0°) in passive holding in each compartment.
- Energy efficient, hot or cold modules draw less than 5 amps each.
- Cold modules use environmentally friendly, thermoelectric technology—no compressor.
- Positive and engaged electrical controls hold food safely up to 4 hours.
- Available in 110V and 220V models.

Hot, cold and passives models are also sold separately or quickly with the cart to suit your needs.

Pro Cart Ultra Tow Hitch Kit

Now your Pro Cart Ultra is your loading dock, serving location and back to your kitchen with the Garden Tow Hitch Kit. The tow hitch is designed to securely connect your Pro Cart Ultra in any service vehicle with towing capability.

- Kit includes chassis plate receiver bar with hardware to secure to metal chassis mount on the cart's base, low bar with hitch pin, and ball mount with 1 1/2" ball with hitch pin.
- Fits all Pro Cart Ultra models, low and tall.
- Kit available with standard or security hardware.
- Maximum tow capacity 1,000 pounds.

Compact Adjustable Dish Caddy S-Series

The Compact Adjustable Dish Caddy offers big value in a smaller footprint without compromising performance, storage capacity or load bearing. Ideal for large or small events, lightweight, easy to maneuver, with access from all four sides.

- Choose from 4, 8 or 12 tower models to accommodate various plate sizes.
- Caddy holds up to 240 each 12" (30 cm) plates, (up to 72 per column).*
- Overall dimensions: 27" x 27" x 21 1/2" (68.6 x 68.6 x 54.3 cm).
- Single body, made of smooth, highly durable, easy-to-clean plastic.
- Patent Pending Load-over Tower easily adjusts from the top.
- Four (4) each 5 1/2" (13.9 cm) size plated casters, all swivel with brake, with non-marking, highly durable TPE tread.
- Includes weight cones with 2" x 5" (5.1 x 12.7 cm) secondary and/or wheel identification pocket on top.
- Color: Specified Gray (180).
- *Holding capacity based on plate size and drying design.

Black with standard plate rack only.

Customer Note: All tower carts are in single tower format to support maximum design load capacity.

Service Cart Pro

The Service Cart Pro is the multi-purpose mobile solution for foodservice, both back and front of house. Optional Quick Connect Bins on each end of the cart allow extra storage, keeping items sanitary. Ergonomic, no-rear-handling, are molded into both ends of the cart for easy maneuvering.

- Stainless feature raised ridges to protect surface against heat.
- Four-sided 1 1/2" (3.8 cm) marine rail on top shield for maximum rigidity.
- Four (4) 16" (40.6 cm) non-marking heavy-duty plate casters.
- Load capacity 600 lbs. (272 kg).
- External Dimensions: L x W x H: 41.7" x 23.8" x 32.1" (106.4 x 60.4 x 82.1 cm).
- Service Cart Colors: Black (180), Dark Brown (311), Charcoal Gray (415), Quick Connect Bins Color: Black (180).

Camshelving® 24" (610 mm) Deep Dome Drying and Storage Rack

Combine smart drying and safe handling with unmatched versatility.

- Multiple Dome Drying and Storage Rack 24" x 36" x 71" (610 x 914 x 1780 mm) deep with pre-assembled post kit and holds up to 100 dishes in one compact footprint.
- Individual crates holds up to 10 dishes.
- Combine multiple drying racks to hold bases, covers and trays on a single shelving unit.
- Conform to dishwasher code and fit all Camshelving bins.
- 10mm warranty against rust and corrosion.
- Colors: Cobalt-Soft Gray (155), Rack Dye Color: Specified Gray (180).

10-Tray Dual Access Room Service Cart

This ergonomic room service cart with two doors on the opposite sides minimizes maneuvering for trays in the back of the cart, making loading and unloading trays easier for staff. The lightweight cart is easy to maneuver and has whisper quiet casters to minimize noise in the hallway.

- Easy to clean and won't rust, stain, chip or break.
- Self-wasting, lightweight ABS doors with marine top.
- 32" (81.3 cm) tall opening holds 100 (15" x 20") (38 x 51 cm) trays.
- Center opening promotes ventilation.
- Discs rotate open 270°.
- 100-Capacity Large and Customer System.
- Colors: Cobalt-Soft Gray (155), Granite Sand (184).

many **GROOVY** things are happening with **CAMBRO** at **catersource 2014** come join our **REVOLUTION**

SAVE THE GREENS
Do your veggies need to be thrown out before you have a chance to use them? Are you tired of throwing money out the window?

TAKE A STAND
Come by Booth #700 and see how a simple product can bring that grove back into your operation!

Then come join us at the Diced Challenge where six renowned chefs will compete in a mystery box style competition. Watch the excitement build as the chefs scramble to create masterful creations under boiler room pressure and within each other! Cambro is proud to be the official sponsor of this event. Come see our products in action in this fast-paced kitchen event!

At the tradeshow's Innovations Stage, food safety takes the limelight as our experts discuss ways for your catering operation to get that A+ from the health inspector. Learn what critical points they are looking for and solutions to pass that next inspection with flying colors!

Your free trays must be the same type of compartment trays as listed on your original order. Maximum one free case per three cases purchased. There is no limit on case orders. Please allow 4-6 weeks for Compartment Trays delivery from date of submission. Purchase Order and Form must be completed during the valid time period that is noted on your postcard. Any purchase order or form submitted after the date listed on your postcard is not valid. Valid time periods per sales group are on file with Cambro. Please contact your local Cambro Sales representative to confirm valid dates for the promotion in your area.

CAMBRO®

Product Catalog

While at Cambro I was responsible for six sections of an eleven section two hundred fifty plus page domestic and international product catalog (sixteen versions). Responsibilities include corrections to sixteen versions of the catalog, create new pages for all versions, rework exiting page, update images, place in translations for all versions, proofing all versions, create PDFs of all versions for print and web, etc. [Link to PDFs of full Cambro Catalogs.](#)

FEATURING ALPHABETICAL CHAMBER MEMBERSHIP INDEX

Long Beach

Chamber of Commerce

BUSINESS REFERRAL GUIDE **2007-2008** MEMBERSHIP DIRECTORY

While at The Long Beach Press-Telegram I was responsible for many Business Referral Guides. These guides usually contained ninety pages or more and included a description of Long Beach business, letters from the Long Beach Chamber of Commerce, advertorial and a Chamber Member Directory.
